## Materials

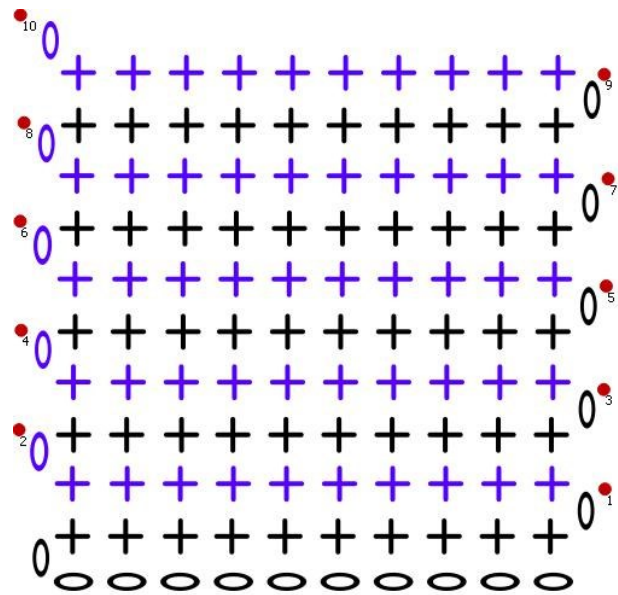

- ♥ Any Yarn of your choice: \_\_\_\_\_
- ♥ Any hook of your choice: \_\_\_\_\_

Please just keep in mind that you have to use the same thickness yarn for the whole blanket, otherwise it WILL start warping

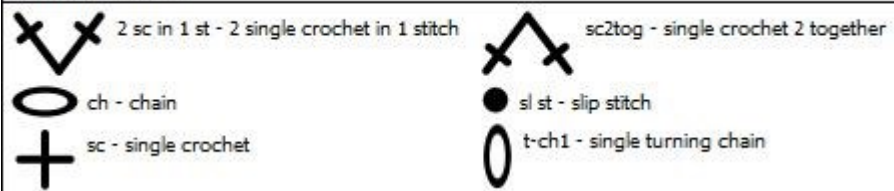

## First Square

Ch 11. (This foundation chain does not count as a row and you will work OVER it when the time comes.)

1. Sc in one loop only of the second chain from the hook and every chain across. Ch 1 and turn. {10}
- 2-10. Sc x 10. Ch 1 and turn. {10}

## Beginning Corner

1. (Sc, ch 2, sc) all in the only st of row 9 of the **Ending Corner**. Sl st into the next 2 rows and turn.
2. Skip the 2 sl st's. Sc inc in the next st, sc in the ch-2 space. Ch 1 and turn. {3}
3. Sc x 2, sc inc. Sl st into the next 2 rows and turn. {4}
4. Skip the 2 sl st's. Sc inc, sc x 3. Ch 1 and turn. {5}
5. Sc x 4, sc inc. Sl st into the next 2 rows and turn. {6}
6. Skip the 2 sl st's. Sc inc, sc x 5. Ch 1 and turn. {7}
7. Sc x 6, sc inc. Sl st into the next 2 rows and turn. {8}
8. Skip the 2 sl st's. Sc inc, sc x 7. Ch 1 and turn. {9}
9. Sc x 8, sc inc. Sl st into the next row. Ch 1 and turn. {10}

**Note:** For all subsequent beginning corners the sl st in the last row (row 9) will fall in a row that already contains a sl st.

## Middle Section

(The middle section will increase by 10 rows every second time you work it. So that is: 10, 10, 20, 20, 30, 30...)

1. Skip the first st (the sl st). Sc x 10. Ch 1 and turn. {10}
  2. Sc x 10. Sl st in the next 2 rows and turn. {10}
  3. Skip the 2 sl st's. Sc x 10. Ch 1 and turn. {10}
  4. Sc x 10. Sl st in the next 2 rows and turn. {10}
- Uneven Rows: Repeat Row 3. {10}
- Even Rows: Repeat Row 4. {10}
- Last Row:** Sc x 10. Sl st in the next row. Ch 1 and turn.

**First middle section:** the slip stitch of the last row will fall in the first row of the First Square, NOT the foundation chain. The foundation chain doesn't count as a row and you will work over it to minimise the formation of holes.

**Second middle section:** the slip stitch of the last row will fall in the last stitch of the first row of the First Square.

**Subsequent middle sections:** the slip stitch of the last row will fall in the first stitch of the beginning corners. That is the first sc of the first row of the beginning corner.

**Additional Notes:** for the second middle section you will be making your slip stitches into the stitches of the first row of the First Square (working over the foundation chain). So when it says slip stitch into the next 2 rows, you will slip stitch into the next 2 st's of Row 1 of the First Square instead.
