

Granny's Pansy Pattern

This pattern has been adapted from a piece of crochet lace my great-grandma made in the '50s. Working on it has brought back so many memories of her. For a few short hours, it felt like we were communicating across the years.

Materials

- Double knit yarn in 3 (or 4) colours
- 4 mm Crochet Hook (US G/6 UK 8)
- Yarn needle

Abbreviations

US Crochet Terminology used throughout.

Please see [this chart](#) if you need help with any of the abbreviations in this pattern.

Special Stitches

Double treble crochet (dtr): Yarn over 3 times, insert your hook into the applicable stitch and pull up a loop, then *yarn over and pull through 2 loops* x 4.

Special Instructions

Small Petal: Into the same ch-3 space: hdc, dc, 4 tr, dc, hdc.

Large Petal: Into the same ch-3 space: hdc, dc, 2 tr, 3 dtr (see *Special Stitches*), 2 tr, dc, hdc.

Instructions

Round 1: With Colour A and working into a magic ring: ch 3 (this counts as your first dc). Make another dc and ch 3. *2 dc, ch 3* x 4. Join to the top of the initial ch-3 with a sl st and finish off. {10 dc's (including initial ch-3) and 5 ch-3 sp's.}

Round 2: Join Colour B by making a sc between any 2 dc's of Round 1. *Make a Small Petal (see *Special Instructions*) in the next ch-3 space. Sc between the next 2 dc's* x 3. Change to Colour C on the last yarn-over of the last sc. Make a Large Petal (see *Special Instructions*) in the next ch-3 space, sc between the next 2 dc's, make a Large Petal in the last ch-3 space. Join to the first sc with a sl st. Change back to Colour B. **Ch 1 and turn.** {50 st's/5 petals}

Round 3: This is not a complete round. In this round, you will only be working into the stitches of the 2 larger petals. The wrong side of the flower should be facing you.

Skip the sl st. *Sc, ch 2* in each of the next 22 st's. Sc in the last st and then sl st in the same st. Bind off and work away your yarn ends. The last sc and sl st should fall in the last stitch before the colour change. {23 sc's, 22 ch-2 spaces}
